**PRODUCT DESCRIPTION**

Sydney Harbour's Duchess Satin brings the rich luster of satin fabric to a paint finish for interior use. Duchess Satin is available in eight luxurious, pearlescent colors. Custom colors are available on request however darker tones tend to hide its pearlescents.

**SUGGESTED APPLICATIONS**

Duchess Satin is suitable for interior timber trim and furniture and if sprayed or sponged may be suitable for interior masonry surfaces, dry wall and stucco.

**LIMITATIONS**

Sydney Harbour's Duchess Satin should not be applied below 50 degrees Fahrenheit.

**GENERAL APPLICATION INSTRUCTIONS**

**PREPARATION**

Ensure that all surfaces are free of dust, dirt, grease and salts and should have no loose material that could inhibit adhesion of the coating. The surface should be sanded and dusted down before proceeding.

Spot prime all repaired areas using Sydney

Harbour's All Purpose Undercoat Sealer. Allow to dry for six hours minimum. Apply 2 coats of Sydney Harbour's All Purpose Undercoat Sealer. Allow to dry for six hours between coats.

**APPLICATION**

Apply 2 coats of Duchess Satin by brush and allow a minimum of 12 hours dry time between coats. Duchess Satin can be applied by sea sponge, stipple brush or fine texture roller to achieve special effects. Duchess Satin may also be applied by conventional air spray.

Note: Duchess Satin is a highly reflective product best suited for trim and woodwork. For wall applications it is recommended that Duchess Satin be sprayed or rolled.

**FINISH/DURABILITY**

Low finish sheen acrylic, fully washable, incredibly durable.
